THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

The Constitution of the State of California is hereby amended by adding thereto a new article and sub-section designated Article IV Section 19, sub-section (c), which shall immediately follow Article IV Section 19, sub-section (b), and shall read as follows:

ARTICLE IV SECTION 19 (c)

PEOPLES EXPERIMENTAL GAMING LAW

SECTION I. Existing methods of taxation have proved inadequate to meet the increasing costs of State government. The property tax has risen to the point that property owners cannot be taxed further without the State's economy being seriously impaired. The sales tax has been raised a percentage at a time to the point that the State has become a serious partner to most commercial transactions incurred within its boundaries. Other existing sources of revenue to the State is urgently needed. There exists at this time, within the confines of this State, a multi-million dollar activity related to Gaming and Book Making as set forth in the Penal Code, Chapter 10 of this State which operate without State taxation or supervision. It is further evident that vast sums of State revenues are expended in what has proved to be a futile effort to curb or eliminate this activity. The purpose of this Article is to provide for Gaming as set forth in the Penal Code, Chapter 10 of this State, and for extending pari-mutuel wagering for a limited period of time, and is to be treated as a pilot experimental program for a period of twenty-five (25) years.

SECTION II. The Legislature shall provide for the regulation of Gaming and of Extended Pari-Mutuel wagering on horse races as follows:

SECTION III. This Article shall be cited as the Peoples Experimental Gaming Law, and all reference to same shall be the same.

SECTION IV. Recognizing the mandate of the people, the Legislature shall pass all laws reasonably necessary to implement the conducting of Gaming and Extended Pari-Mutuel Wagering operations on horse racing within this State. After the 25 year period referred to in Section I of this Article expires, the Legislature shall have the power to extend the pilot program to a time to be determined by it which any subsequent license may be issued according to all rules, regulations, and conditions which the Legislature may have then prescribed or to confirm said Article.

SECTION V. Jurisdiction and supervision over the Gaming and Extended Pari-Mutuel Wagering in this State and over all persons or things having to do with the operation of Gaming and Extended Pari-Mutuel Wagering is vested in the Peoples Experimental Gaming Law Commission.

The Commission shall consist of three members to be appointed by the Governor. Each member shall have been a resident of this State for four years next preceding his appointment. Each member shall hold office for a term of four years. Any vacancy shall be filled by the Governor for the expired term.

The members of the Commission shall receive a salary of \$22,500.00 per annum.

The Governor may remove any commission member for cause upon first giving him a copy of the charges against him and an opportunity to be heard.

The members of the Commission shall appoint one of its members a chairman.

SECTION VI. The Commission shall appoint such employees as may be necessary to carry out the provision of this law.

The Commission shall appoint a secretary who shall receive the annual salary provided for by Chapter 6 (commencing at Section 11550) of Part 1 of Division 3 of Title 2 of the Government Code.

The salaries of the Commission members, the secretary and other employees and all other necessary expenses to carry out the Gaming and Extended Pari-Mutuel Wagering measure shall be paid monthly by the State Treasurer on the warrant of the State Controller and the certification of the Chairman of the Commission out of the California State General Fund.

The Commission shall establish and maintain a general office for the transaction of its business at a place to be determined by the Commission. The Commission may establish any branch office for the transaction of its business at a place to be determined by it. The Commission may hold meetings at any other place when the convenience of the members of the Commission requires.

All meetings of the Commission shall be open to the public, and all persons shall be permitted to attend any meeting of the Commission.

A majority of the Commission constitutes a quorum for the transaction of its business or the exercise of any of its powers.

The secretary shall keep a full and true record of all proceedings of the Commission, preserve at the Commission's general office all books, documents, and papers of the board, prepare for service such notices and other papers as may be required of him by the Commission and perform such other duties as the Commission may prescribe.

All records of the Commission shall be open to inspection by the public during regular office hours.

The Legislature shall give the Commission all powers necessary and proper to enable it to carry out fully and effectually the purposes of this law.

Section VII. It shall be unlawful for any person, persons, corporation, association or other legal entity to conduct Extended Pari-Mutuel Wagering in this State without a license from the Commission.

The Commission shall issue as many licenses as necessary (at its discretion) to conduct Extended Pari-Mutuel Wagering in this State.

Thirty days after the issuance of the licence for Extended Pari-Mutuel Wagering, the licensee shall pay to the Commission the sum of Five Hundred Dollars (\$500.00), as a license fee.

The license and permit fee shall be paid into the State General Fund. The license and permit fees shall be payable annually thereafter by the licensee and/or permittee.

When the Commission issues a license to conduct Extended Pari-Mutuel Wagering the licensee may not sell or transfer said license without the approval of the Commission. All applicants for a license for Extended Pari-Mutuel Wagering must file with the Commission a Filing Fee to be determined by the Commission and shall be made in writing to the Commission, upon receipt of application forms to be supplied by said Commission. The Filing Fee shall not be refundable whether a license is issued or not.

SECTION VIII. All Extended Pari-Mutuel Wagering shall take place in dinner houses throughout the State which shall be equipped with closed-circuit television for viewing of the race and with pari-mutuel wagering machines utilized in a manner which would insure that any wager made within the system would reflect itself in the total mutuel pool for a particular race and with facilities comparable to those common at race tracks in this State.

The Licensee shall be responsible in determining the locations of the Extended Pari-Mutuel stores as described in Section Seven.

Recognizing the people in favor of Extended Pari-Mutuel Wagering the Legislature shall pass all laws reasonably necessary to insure that there is cooperation between the race track operators and the licensee herein, so as to accomplish the purposes provided for herein.

Extended Pari-Mutuel Wagering licenses shall be issued to individuals, corporations, partnerships, or any legal entity. The licenses issued for Extended Pari-Mutuel Wagering stores operators shall not share in revenues derived through Extended Pari-Mutuel Wagering Funds. Further, all revenues derived through Extended Pari-Mutuel Wagering Funds pursuant to the existing sliding scale percentages (of each dollar wagered) now and future in effect, shall at least be shared equally with the State of California and the licensee that is authorized and designated by the State Racing Commission of California to conduct horse race meetings for the general public viewing each year.

SECTION IX. This section relates to Gaming only as follows:

1. Gaming is to be treated as a pilot experimental program as set forth in Section One of this Article for a period of twenty five (25) years.

2. San Bernardino County shall be the only county for this pilot program. Only the City and to the City boundaries shall be involved as stated in the following:
